From the files of the Department of Defense comes the Intelligence Bulletin. This was Number 1 of Volume 1. Published in World War 2 to get the information that was considered important in fighting the war out to the commanders. This issue covers the 88mm Gun, Tanks in the spotlight, Mechanized Warfare, Focke-Wulf FW190, Parachutists Training and Tactics to include their 10 Commandments. It also covers booby Traps to include use and detection.and more. A must have for all Military History Buffs or for research purposes.
