Excerpt from Catalog of Copyright Entries, Vol. 4: Works of Arts, Reproductions of Works of Art, Scientific and Technical Drawings, Photographic Works, Prints and Pictorial Illustrations; January June, 1950. Photography are listed. These works are registered in Class A and appear also in Part 1A of the Catalog. They are arranged alphabetically under author and are books which consist largely or primarily of reproductions, books which list or describe photographs or works of art (including those devoted to the works of individual artists and photographers) and catalogs of exhibitions. Bibliographic Data. - Under the heading (name of author or copyright claimant) each main entry includes, as applicable, 1) title; 2) other essential names associated with the work; 3) description of the pictorial content of the item; 4) publisher and place of publication when the publisher and claimant are different (if the address is given in the statement of copyright facts, the claimant and the publisher are the same); 5) a brief statement describing the physical nature of the material (omitted in Class J when the deposit is a photographic print); and 6) series. Copyright Data. - The portion of the entry giving the facts of copyright registration begins with the copyright symbol (c). This is followed by 1) name of the copyright claimant, if it differs from the name in the heading (when the copyright symbol follows the name of the author in the heading, it indicates that the author and copyright claimant are the same); 2) for published works, date of publication as given in the application; for unpublished works, the abbreviation lc followed by the date of receipt in the Copyright Office of one copy; and...
