This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2009 in the subject English Language and Literature Studies - Linguistics, printed single-sided, grade: 2,7, University of Leipzig, language: English, abstract: (1)I m on my way to an engagement. (Merriam-Webster 1984: 289) (2)I m on my way to an appointment. (Merriam-Webster 1984: 290) In most of the existing languages we can find words, which sound different but have identical meanings. These words are called synonyms. The word synonym comes from Ancient Greek syn meaning with and onoma meaning name . But can two words really have exactly the same meaning Fromkin et al. does not agree with this definition, he states that no two words ever have exactly the same meaning even if they are synonyms (2003:181). Therefore synonyms are words carrying nearly similar meanings and whose usage is bound to the context. This means that one has to be careful in choosing a word; it might not carry the same meaning as the writer intended. Translation often causes irritation about which of the words fits better in a specific sentence. Especially the non-native speakers have a lot of problems in deciding which of the words is more suitable to use in a certain context and they have to face the question if any one of these words is suitable in any context. But also native speaker are not always sure about the correct use of two synonymous words. Appointment and engagement are two words with a similar sense to the common mind and share many semantic properties. In the thesaurus both words are said to be synonymous and when applying the definition above, we may agree with it. But do appointment...
