New Dawn Press. Paperback. Book Condition: new. BRAND NEW, Light After Death (2nd Revised edition), Alan Bryson, Through advances in medical technology a vast number of people have literally been brought back to life from the brink of death. In recent years published accounts of such Near-Death-Experiences (NDEs) have fascinated readers worldwide. Now Light After Death opens an exciting new chapter in the field on NDE research by presenting a comprehensive affirmation of the NDE by an established world religion. Although less than 150 years old, the Baha' I Faith is already the second most widespread religion after Christianity. Its teachings of world unity offer a ray of hope to a planet plagued with religious and ethnic division, and economic and environmental injustice.
