They met silently, and in tears; a brother and a sister who had never known each other! Little did either of them know the state of their own feelings. It was the kindling of a new and strange passion; they could not, nor did they care to analyze it. Her mother watched them with deep and diflicultly restrained emotion. She saw the deep love that had sprung up in their breasts for each other. She longed to undeceive them; but her insight into their natures and character led her to believe that the foundation of the affection they mutually exhibited towards each other was laid in sympathies deeper than those of simple consanguinity. She then thought of her ovn early frailties, and when she considered what a safeguard, what a shield the feeling of so near a relationship would be to her daughter s innocent soul, she determined to keep the secret of her birth until circumstances should call for its release. Bruce was a new man. The world that seemed so cold, and barren, became a paradise, and he found in the new exercise of his affections, something to satisfy his warmest wishes for happiness. Life became at once, worth living (or. Does not the truest, the sweet est, of all human happiness, come from true and faithful human love? The object of affection is ever an ideal divinity. The same attr;butes that we love in man, are the...
