

## Literary Executions: Capital Punishment and American Culture, 1820-1925 (Hardback)

Filesize: 8.02 MB

### Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

**LITERARY EXECUTIONS: CAPITAL PUNISHMENT AND AMERICAN CULTURE, 1820-1925 (HARDBACK)****DOWNLOAD**

JOHNS HOPKINS UNIVERSITY PRESS, United States, 2014. Hardback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book. Drawing from legal and extralegal discourse but focusing on imaginative literature, *Literary Executions* examines representations of, responses to, and arguments for and against the death penalty in the United States over the long nineteenth century. John Cyril Barton creates a generative dialogue between artistic relics and legal history. He looks to novels, short stories, poems, and creative nonfiction as well as legislative reports, trial transcripts, legal documents, newspaper and journal articles, treatises, and popular books (like *The Record of Crimes*, *A Defence of Capital Punishment*, and *The Gallows, the Prison, and the Poor House*), all of which were part of the debate over the death penalty. Barton focuses on several canonical figures—James Fenimore Cooper, Nathaniel Hawthorne, Lydia Maria Child, Walt Whitman, Herman Melville, and Theodore Dreiser—and offers new readings of their work in light of the death penalty controversy. Barton also gives close attention to a host of then-popular-but-now-forgotten writers—particularly John Neal, Slidell MacKenzie, William Gilmore Simms, Sylvester Judd, and George Lippard—whose work helped shape or was shaped by the influential anti-gallows movement. Analyzing the tension between sovereignty and social responsibility in a democratic republic, Barton argues that the high stakes of capital punishment dramatize the confrontation between the citizen-subject and sovereign authority in its sturkst terms. In bringing together the social and the aesthetic, Barton shows how legal forms informed literary forms and traces the emergence of the modern State in terms of the administration of lawful death. By engaging the politics and poetics of capital punishment, *Literary Executions* contends that the movement to abolish the death penalty in the United States should be seen as an important part of the context...
