

Slippery Places

By Jule Miller

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 246 pages. Fifty years ago American Manufacturing was the envy of the world. Now it is in very serious trouble. Many companies have gone bankrupt. Others have become nothing more than the domestic sales departments of foreign manufacturers. Rather than the usual excuses, this book gives the real reasons for this ongoing collapse. This is the inside story of how a respected manufacturer of jet engines was destroyed within a decade by the diligent application of the myopic theories and financial panaceas to which American management has become addicted. Through this perceptive, no-nonsense memoir of the demise of a single firm, the author exposes the flaws in contemporary management practices and attitudes that are destroying Americas manufacturing capability and jeopardizing her future This item ships from La Vergne,TN. Paperback.
