

Threat Vector

By Tom Clancy

BRILLIANCE AUDIO, United States, 2013. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. Jack Ryan has only just moved back into the Oval Office when he is faced with a new international threat. An aborted coup in the People's Republic of China has left President Wei Zhen Lin with no choice but to agree with the expansionist policies of General Su Ke Quiang. They have declared the South China Sea a protectorate and are planning an invasion of Taiwan. The Ryan administration is determined to thwart China's ambitions, but the stakes are dangerously high as a new breed of powerful Chinese anti-ship missiles endanger the US Navy's plans to protect the island. Meanwhile, Chinese cyber warfare experts have launched a devastating attack on American infrastructure. It's a new combat arena, but it's every bit as deadly as any that has gone before. Jack Ryan, Jr. and his colleagues at the Campus may be just the wild card that his father needs to stack the deck. There's just one problem: someone knows about the off-the-books intelligence agency and threatens to blow their cover sky high.

Reviews

These sorts of pdf is the greatest ebook offered. We have study and that i am sure that i will going to study once more once more in the future. Its been printed in an remarkably simple way and it is only after i finished reading through this pdf through which in fact transformed me, affect the way i believe.
