*Complete guide! Its such a great study. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Simon Pulse, United States, 2016. Hardback. Book Condition: New. 213 x 147 mm. Language: English . Brand New Book. The Devil Wears Prada meets Sex and the City in a wickedly funny debut novel about a girl who lands a dream internship at a magazine in New York City. If only she hadn't lied about being a dating expert on her resume Harper Anderson has always thought she should have been born somewhere more glamorous than her sleepy Northern California suburb. After all, how many water polo matches and lame parties in Bobby McKittrick's backyard can one girl take? Already resigned to working at a Skinny B's Juice Press for the summer, Harper is shocked when the ultra-prestigious teen magazine, Shift, calls to say they want her to be their teen dating blogger for the summer. All she needs to do is get her butt to New York in two days. There's just one teeny, tiny problem: Apart from some dance floor make-outs, Harper doesn't have a whole lot of dating experience. So when Shift's application asked for an edgy personal essay, Harper might have misappropriated her best friend's experiences for her own. But she can just learn on the job, right? Will the house of lies Harper has built around her dream job collapse all around her, or will she be able to fake it until she makes it in the big city?.
