If you are a sceptic this is a must read for you too. If you think you are too "intellectual" for Christian belief let this book tell you how wrong you are and inspire you to try a better way with God, instead of without Him. Highly recommended - a great Australian book which will blow you away." (Marian Klitzke, (Tasmania), a retired social worker and ex-owner of a Christian bookshop. Emailed to the author and posted on You-tube with the promo.) Trained at the University of New South Wales, Dr Ern Crocker is an experienced nuclear medicine physician, and the first to practise ultrasound in Australia.
