Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - Beast Wars: Transformers (Beasties on YTV, due to discomfort over the name) was a Transformers toyline released by Hasbro between 1995 and 2000, and a full-CG animated television series spawned by it that debuted in 1996. The series was set in the future of the 'original' Transformers universe as a sequel to the first Transformers series (which has since been rebooted in limited comic book stories by Dreamwave and IDW among others). The Beast Wars TV series was produced by Mainframe Entertainment of Canada; its story editors were Bob Forward and Larry DiTillio. All three seasons are currently available on DVD in the USA and other Region 1 territories. In Australia, to coincide with the show's tenth anniversary in 2006, Madman Entertainment released all three seasons in Region 4 format. These boxsets include 'world exclusive' special features, such as commentaries and interviews with the voice actors. 108 pp. Englisch.
