

Astrology: Its Technics and Ethics (Classic Reprint)

By C Aq Libra

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****. Astrology Its Technics and Ethics is a comprehensive guide to the world of astrology written by Dutch astrologer and author, C. Aq. Libra. This book was crafted for the sole purpose of introducing the ideology and practice of astrology to the general public, and encouraging its practice. With that mission in mind, this book has become widely known and has been translated into a variety of other languages to make it accessible to people across the world. This book also approaches astrology from a very basic standpoint, and presents concepts to readers in a way that makes them easily understandable no matter how limited the reader's previous experience in astrology may be, making it the perfect text for a beginner in the field. While astrology was once an accepted science, it has since been discredited and is today utilized primarily as a form of entertainment rather than a system of understanding and forecasting the events of the universe. In the introduction to the book, Libra addresses the history of astrology being discredited and that the...
