

Prostate Cancer Asking the Right Questions

By Thomas J. Leah Phd

Fertile Ground Press. Paperback. Condition: New. 184 pages. Dimensions: 8.0in. x 5.2in. x 0.4in. A lot has happened since I first sat down to write this little book. New 3T MRIs and Focal Therapy provide men with prostate cancer options that didnt exist a year or two ago. This is why I am again updating the books contents. Im also trying to respond to readers feedback. Among the new chapters I have added is Chapter 23: The Prostate Cancer Check List. This concise list summarizes the main questions and suggestions contained in the body of the text, and hopefully will increase this books usefulness. I suggest that you review this list before reading the book. With an ever-increasing list of options, the man with prostate cancer needs all the help he can get. Having more choices is great, but the prostate cancer patient can quickly feel overwhelmed, which can lead to hasty, poor decision making. A classmate of mine told me about a friend who stood by the bed of his critically ill father, watching life end for the man he loved so much. Grasping his sons hand, the dying man uttered these last words: Dont add to the confusion. If...
