Q.--Can I learn the elements of the machinist trade in a reaper and mower shop? A.--Yes. 1, ea6. Q.--I am seventeen years of age and intend some day to be a mechanical engineer. I am now in second year of the high school. What would be the best thing for me to do, stop school now and go for a few years in a machine shop or drafting office and then go to a technical school, and get my practical education afterward? A.--Do not leave the high school; get all the education you can. As to whether first to enter he machine shop or technical school you must use your own judgment, and be guided by the advice of your teachers and friends who are better acquainted with you and your abilities than we are. 1.027.
