Like a marriage of body, mind, and spirit, you feel a heightened awareness and a greater sense of completeness. The Way of Love can guide you toward an aliveness that comes from knowing and loving your real self, without having to pretend to be someone you are not. Simple steps and practical exercises are offered throughout. Emphasizing both compassion and empowerment, The Way of Love invites you to appreciate how you can take more responsibility for your life, shedding the notion that you are a victim to anyone or anything. This can be helped through cultivating self-honesty combined with a willing surrender to your Divine Self. Healing comes when we can allow more and more of life to happen without our trying to control it. When we live more and more in our real Self, we live more freely in fluid energy. - pg. 62 The Way of Love brings to life the Soul's evolutionary journey from separateness and disillusionment to relationship and fulfillment. The ideas contained within can help you to fall more in love, in communion and joy, with all of who you are. . .love, in its truest form, is spontaneous and indescribably beautiful, without limitations. The song of love can help us to feel a transcendence beyond space and time. The more that we allow our heart to partake of love, the more it reverberates in deeper harmonies within us and beyond us, so that all who come in contact with us are likely to feel the beauty of this music as well. - pg. 115.
