THE DOG THAT DINED AT GRANDMA S: A DYING MAN TELLS HIS GREAT-GRANDSON HIS BOYHOOD ADVENTURES OF TURNING A CLUMSY PUP INTO A LIFE SAVING HUNTING DOG[DOWNLOAD PDF](#)

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. When John first learns that he has cancer and only months to live, he is due to appear at his great-grandson's birthday party-and he wonders how he'll make it through the event. But he quickly comes up with an idea for the perfect birthday present for Eric-and the perfect legacy as well. In The Dog that Dined at Grandma's, John relives his childhood adventures with a dog named Boone and his neighborhood buddies by passing the story along to his great-grandson. He relays the trials and tribulations of a boy trying to transform a clumsy puppy into a refined hunting dog and the misadventures they experience along the way. John is able to give his great-grandson his own puppy, along with a story to remember him by and his undying love. But the two most important gifts I had given him as my days on earth dwindled were easy to see. I had shown him that it was okay to openly love and care about others. I had also helped him to see that many people loved him, even if it didn't always feel that way. Combining adventure, humor, and life-lessons, The Dog that Dined at Grandma's is a story that will be embraced by readers young and old.
