Filesize: 9.18 MB

Reviews

Very beneficial for all class of folks. Indeed, it can be perform, nevertheless an interesting and amazing literature. I discovered this ebook from my i and dad suggested this pdf to find out.
(Leatha Luetngen Sr.)

L EUCALYPTUS GLOBULUS: AU POINT DE VUE BOTANIQUE, ECONOMIQUE ET MEDICAL (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Dans ces parterres a decoration mobile qui sont un des recents attraits de Paris, a Monceaux, au Luxembourg, dans les squares, le promeneur a pu remarquer un arbuste etrange de forme et de couleur. On le dirait poudre a blanc ou plutot enduit d un vernis cireux d une teinte glauque a reflets bleuâtres; tout le long de la tige droite et raide s etagent sur quatre rangs croises des rameaux flexibles, horizontalement etales et garnis de feuilles ovales, entieres, opposees et sessiles, c est-a-dire reposant directement sur le rameau par leurs bases arrondies. Reduit a ces proportions de 5 ou 6 metres, l eucalyptus globulus n est, a vrai dire, qu un joujou de plus parmi les singularites horticoles. Il est sorti d une orangerie et doit y rentrer aux premiers froids; le plus souvent meme on le sacrifiera sans pitie a de jeunes remplacons; qui, nes au printemps, eleves a l air libre durant l ete, rentres en serre l hiver suivant, plantes apres les froids en pleine pelouse, profitant avec une etonnante rapidite des chaleurs de l ete parisien, parcourent jusqu a la fin de l automne le cycle de leur periode infantile. Ainsi le climat inclement et le caprice de l homme enferment dans ce terme de deux ans et dans les proportions d un arbuste les destinees seculaires et les dimensions colossales d un des geants de la vegetation du globe.
