By Nicholas Reid

Auckland University Press, New Zealand, 2008. Paperback. Book Condition: New. 222 x 214 mm. Language: English . Brand New Book. In the early 21st century, as it celebrates its 125th anniversary, The University of Auckland is New Zealand's biggest, best-endowed, most research-driven university. Formally opened in May 1883 as Auckland University College, it then comprised a disused courthouse and jail, 95 students and just 4 teaching staff. By 1901, the roll had risen to 156 students, mostly part-timers training as teachers or law clerks. Today it is New Zealand's largest university, hosting more than 40,000 students on its 5 Auckland campuses - every year over 10,000 students graduate. The university now boasts a School of Theology, 8 faculties - Arts, Business and Economics, Creative Arts and Industries, Education, Engineering, Law, Medical and Health Sciences, and Science - 4 of the 8 government-approved New Zealand Centres of Research Excellence and a variety of biomedical and clinical research centres including the Liggins Institute, one of the world's leading centres for research on fetal and child health and breast cancer, among other areas. The university is unique in New Zealand in being a member of the elite Universitas 21 network...
