## Eating Disorders Pocketbook

By Pooky Knightsmith

Management Pocketbooks. Paperback. Book Condition: new. BRAND NEW, Eating Disorders Pocketbook, Pooky Knightsmith, When it comes to dealing with pupils suffering from an eating disorder, school staff admit they lack knowledge and confidence. Unsure whether they can do anything to help, they're afraid of making matters worse. However, they can help. As one young sufferer remarked: 'I don't think it's going too far to say my teacher saved my life'. This Pocketbook is suitable for anyone working in a school setting and will be of interest to parents, too. It contains ideas, information and practical advice for supporting pupils with eating disorders. It explains what an eating disorder is, focusing particularly on anorexia, bulimia and binge eating disorder. After identifying risk factors and warning signs, the author looks at encouraging pupils to share their concerns and at how to respond when a student confides. The emphasis shifts to a whole-school approach in a chapter about setting up a recovery team involving parents, peers, individual staff, outside agencies, etc. It stays practical and relevant to all staff, however, with day-to-day support strategies and how to keep things on track, eg monitoring progress and re-integrating students whose eating disorder has led to...
