VITAL STATISTICS EXPLAINED (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The study of vital statistics is the link connecting the statesman, the historian, the medical practitioner, the statistician and the actuary, but it appeals to each in a different way. The statesman is concerned with questions relating to taxation, parliamentary representation and economic matters generally; the historian with the rise and decline of nations, and a medical man with...
