Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A Basic Course in Geometry is a high school and college level textbook that is designed for everyone with an interest in geometry. It is filled with clear and concise definitions and examples of basic to complex concepts. The 2013 edition of this widely used textbook includes 461 figures, 150 tables, and a 722 term glossary. To assess student understanding, there are also 13 chapter tests and a final exam. The structure of this textbook and the ABC Method of Instruction will allow you to successfully learn geometry. A willing and motivated student can be taught any subject. Geometry is a branch of mathematics which studies spatial relationships and spatial structures. It is concerned with the properties and relationships of points, lines, angles, curves, surfaces, and solids. As geometry is a highly visual subject, almost every concept or problem is accompanied by a figure or table. This textbook is a basic course in geometry. It assumes the student has little or limited knowledge of geometry, which means terms and concepts are explained before they are extensively used. It...
