RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 38 pages. Original publisher: Washington, D. C. (P. O. Box 37050, Washington, D. C. 20013) : The Office, 1999. OCLC Number: (OCoLC)41884561 Subject: Exports -- United States. Excerpt: . . . B-281456 MAP that funds do not substitute for promotional expenditures recipients would have otherwise undertaken with their own funds. According to FAS officials, no recipients have been disqualified from the program because they failed to meet the certification requirement. FAS Compliance Review Staff (CRS) regularly audits the participants that MAP receive direct funding and verifies that these participants and the recipients they fund have completed their certification statements. To determine whether assistance (generic or brand-name) has not MAP supplanted a participants foreign market development expenditures, the CRS Director of told us that they review the participants foreign market development budget and verify that it is spending at least as much as it spent the previous year. also considers variations in a recipients CRS promotional strategies within a country and in new markets. According to CRS the Director, reviews supporting documentation each year for about 5 percent of all indirect recipients (15-20 companies...
