Say Again, Please: Guide to Radio Communications (Fifth Edition)

By Bob Gardner

Aviation Supplies & Academics Inc. Paperback. Book Condition: new. BRAND NEW, Say Again, Please: Guide to Radio Communications (Fifth Edition), Bob Gardner, Talking on an aviation radio and understanding air traffic control instructions can be one of the most intimidating aspects of flight training. Bob Gardner's "Say Again, Please" teaches readers what to say, what to expect to hear, and how to interpret and react to clearances and instructions, while detailing the airspace system and explaining how the ATC system works. This new Fifth Edition has been expanded and updated throughout to reflect current FAA rules and operating procedures. Chapters in the book cover communication etiquette and rules, understanding radio equipment, emergency situations, and both VFR and IFR communications and clearances. Also included: a concise summary of the FAA's communication facilities and their functions, airspace classifications and definitions, and the FAA's recommended shorthand for copying clearances. The communication requirements for entering, departing, and transiting each class of airspace is explained in detail by following along with the author on "simulated" flights. A full-color sectional excerpt, in an attached fold-out format, is provided for the example flights so readers can review the map while reading the explanation for flying and talking...
