Harlequin, United States, 2012. Paperback. Book Condition: New. 163 x 102 mm. Language: English . Brand New Book. The last thing Sara Carter remembers is driving to the hospital in the middle of a snowstorm just as she was going into labor. Skidding then crashing. When she wakes up, she's no longer pregnant. More astonishing, the man she loved and lost is still alive. Has Sara been given a second chance to rescue Jack Morgan from his tragic destiny? To save them both? From the moment Jack meets Sara, he has the feeling he knows her from somewhere. Her first touch awakens long-dormant emotions and arouses a fierce wave of desire. But how does Sara seem to sense he's in danger? Whatever twist of fate brought them together, Jack knows he has only one shot at a future: keep them both alive long enough to find out if their love is strong enough to withstand the forces threatening to drive them apart.
