## IN CAVE DANGER (PAPERBACK)

[DOWNLOAD PDF](#)

Kensington Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. On an expedition into Oregon s Lava River Cave, outdoor journalist Meg Reed stumbles across a body buried way more than six feet under . . . A debate is raging over the use of public lands, and to cover the story for Northwest Extreme magazine, Meg joins a congressman and several others on a subterranean adventure--despite her intense claustrophobia. The thoughts of cave-ins and cougars are unnerving, but at least it s a distraction from her other anxieties, like her best friend s departure for Italy, her boss s plan to sell the company, and the ongoing questions about her father s suspicious death. But in the chilly darkness of the volcanic rock, she discovers a Forest Service employee, stabbed with a trowel. Now Meg will need to do some in-depth investigating or the truth may never come to the surface . . . PRAISE FOR SCENE OF THE CLIMB A splendid overview of the greater Portland and Columbia River Gorge region, perfect for travel buffs. Her protagonist shows promise with her determined attitude and moxie. --Library Journal A fun, terrific adventure. --Suspense Magazine INCLUDES ADVENTURE GUIDES!.
