Enfolded in the human infant is the beautiful image of an imperishable and perfect being. In the baby constitution we recognize the holy plans of Divine Goodness - the immortal impartations of Divine Wisdom - the image and likeness of the Supreme Spirit - the possibilities of the greatest manhood, womanhood, or angelhood. The human mind is the most richly endowed. Its sphere of influence and action is the broadest. It is empowered to hold dominion over time, events, things, and circumstances. It draws its life unceasingly from the divine life of Nature. It feeds on the phenomena of truth. It aspires intuitively after perfection. It rises to the sphere of individuality and freedom. Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
