Brolga Publishing. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 8.1in. x 5.1in. x 0.6in. Destiny is like a train on which you are going toward death. In this train you can move from first class to second class, from a comfortable place to a very uncomfortable place, you have several possibilities in the wagon of the train, but you are on the same rails. It is a matter of moving inside the train. This is destiny, it is not fate. Paulo Coelho Whisper of Angels is an honest account of a life changing moment. It investigates the idea of life after death, reincarnation, angel encounters, near death experiences, soul mates and fate. What emerges is a view of life interpreted and projected through immortals eyes. Where there are no coincidences, no accidents and no chance meetings. God sends people to us for a reason. Einstein once said God does not play dice. It only takes a moment in time, a decision, a thought, a mishap or a meeting with a stranger to realise that the universe has conspired to change the course of our lives forever. The wheels are set in motion and a new adventure had begun. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
