

A Dictionary of Psychology (4th Revised edition)

By Andrew M. Colman

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, A Dictionary of Psychology (4th Revised edition), Andrew M. Colman, Including more than 11,000 definitions, this authoritative and up-to-date dictionary covers all branches of psychology. Clear, concise descriptions for each entry offer extensive coverage of key areas including cognition, sensation and perception, emotion and motivation, learning and skills, language, mental disorder, and research methods. The range of entries extends to related disciplines including psychoanalysis, psychiatry, the neurosciences, and statistics. Entries are extensively cross-referenced for ease of use, and cover word origins and derivations as well as definitions. More than 100 illustrations complement the text. This fourth edition has incorporated a large number of significant revisions and additions, many in response to the 2013 publication of the American Psychiatric Association's latest edition of Diagnostic and Statistical Manual of Mental Disorders, bringing the Dictionary fully up to date with the most recent literature of the subject. In addition to the alphabetical entries, the dictionary also includes appendices covering over 800 commonly used abbreviations and symbols, as well as a list of phobias and phobic stimuli, with definitions. Comprehensive and clearly written, this dictionary is an invaluable work of reference for students, lecturers, and...
