Lulu.com, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Students from all over the world flock to Canada to pursue their studies. While every student has a different experience, there are some things that are important for student survival and sanity. There has to be a balance between their academic and social lives, while managing to adjust to the winter season, which can last for a longer time than most students are accustomed to. This guide offers tips on how to become involved in your campus activities, create personal job opportunities, network, and how to gain some amount of financial independence. Additionally, you will find statistics and information from international students who have experienced university in Canada and wish to share their personal experiences and tips for success. Prospective and new students will find this guide very helpful, easy to read and very brief; because who has time to be reading a 100-page book on saving time and money?.
