Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

Usborne Publishing Ltd, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Join Terry Triceratops and Dino FC for more fresh and funny football antics, in this illustrated series with a prehistoric twist! Dino FC's kit is worn, out-of-date, and coming apart at the seams. So when chairman Danny Deinonychus holds a competition to design a new kit, Dino FC hope their new look will help get them back in the game. Unfortunately, not only is the new kit suspiciously similar to the old one - it doesn't fit. With Pteradonna goalkeeping in a kit that's too big and Marcus Diplodocus defending in too-small shorts, Dino FC really are fashion victims, losing 5-1 to Supersaurus Celtic. Disappointed, Terry gives the new kit away to some young Dino fans, and the team go back to their old shabby chic. But could the surprise appearance of their new fans at the next match give Dino FC the boost they need to inspire them to victory? After all, it isn't about the shirt, but about the dinosaur inside it. Football fans will love this wild and witty new illustrated series, which matches the buzz and action of the Premiership with cool dino characters from a prehistoric age.
