Crochet with Color (Paperback)

By Violet Henderson

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Learn the beautiful art of using color to make amazing crochet projects. Working with color is one of the most enjoyable aspects of crochet. In her book, Crochet with Color, Violet Henderson teaches you all about color and how to incorporate it into your crochet projects. First Violet gives you a complete tutorial on color theory. She covers how to use the color wheel to choose colors, and the different types of color schemes used by artists. Violet provides you with examples of the five main types of color schemes; contrasting, analogous, triadic, tetradic, and square. She also gives you tips for choosing the color scheme for your next crochet project. Next Violet moves onto the three most popular crochet color techniques. Intarsia Crochet - The Intarsia technique is used to create pictures in crochet. You will learn how to read a crochet chart, how to make clean and even color changes, and how gauge affects the finished size of a project. Fair Isle Crochet - Popular in knitting, Fair Isle is also a popular crochet color technique. You will learn how to...
