

Medical Specialty Training in the United States of America: A Must Have Roadmap for International Medical Graduates (Paperback)

By Reggie Ewesuedo

Outskirts Press, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There are many medical students and physicians especially in developing countries who aspire to undertake graduate training in countries other than where they obtained their medical degrees. For most who prefer to undertake such training in The United States of America there is no concise and comprehensive source of information on how and when to prepare for such an endeavor and, what to expect during and after training. This book is a fun and easy to read guide on how and when to prepare for the sojourn to the United States of America, what to anticipate prior to, during and after residency training. It also provides suggestions on how and where to get relevant must have information. It does not substitute for, or replace good moral judgment or legal advice.
